## PRODUCT DESCRIPTION

Convert your existing lighting fixtures to bright and efficient LED lighting. Universal Kits come with mounting tabs that allow the LED plates to be easily mounted in a variety of fixtures from downlights to parking lot lights.

## FEATURES

Energy efficient LED light engine offers high lumen output as well as high efficacy

Kit Includes universal mounting plate combined with mounting tabs for unlimited fixture applications

Compact and optimized LED board for concentrated and powerful light distribution

Three color temperatures available: 5000K, 4000K & 3000K

5 Year Warranty

## KIT INFORMATION

**Finish:** Standard Aluminum finish

**Mounting:** Universal Mounting Tabs

**Dimensions:** 10" x 5.5" x 4.15"

## PERFORMANCE RATINGS AND CERTIFICATIONS

Certified to UL 8750, CSA C22.2 No. 250.13

## PERFORMANCE SUMMARY

**Lumens:** 10000

**Lumens per Watt:** 154

**CRI-Minimum:** 80

**CCT:** 3000K ,4000K ,5000K

**Watts:** 65W

**Operating Environment:** -40°C to 50°C

**Optical Distribution:** 120°

## ELECTRICAL SYSTEM CHARACTERIZATIONS

**Voltage:** 120 - 277VAC

**Dimming:** 0-10V dimming

**Power Factor:** >0.90

**Total Harmonic Distortion:** < 20%

## WARRANTY

5 Year Standard Warranty Limited
